      Motion: To approve the budget for 2020 as presented.

      Moved/Seconded/Motion Carried

   c. Appointment of member representatives (n=2, minimum) to the finance committee (est. 2016)
Purpose: To review the financial statement of CAPAL/ACBAP, the financial accounts, and any supporting financial documentation, and to report on this review to the Annual General Meeting.

The finance committee is a committee of the AGM. Therefore, the membership will be asked for nominations (or volunteers) to staff this committee. It is expected that the work of this committee will take place anywhere from late-March to mid-April to allow for the report of the committee to be incorporated into the CAPAL19 AGM Notice of Meeting.

Discussion: Yanli Li, Jennifer Soutter, and Jennifer Dekker have agreed to review the finances again this year.

Motion: To approve the membership of the finance committee for FY2018 financial review.

Moved/Seconded/Motion Carried

d. Review of By-Law 3.8 Auditors. The board would like to amend the By-Law to state that an audit is not required yearly. This is in line with the recommendations from our financial accountants and also mirrors other associations of our size.

Not approved – language needs to be revisited.

Motion from the floor: CAPAL will forgo to auditor and do a full audit in 2020.

Moved/Seconded/Motion Carried

a. Results of election of directors, held March 2019. (Nominations Committee)

(Enclosure #6)

As per bylaw 6.5, “Directors shall be elected annually by the members. The Nominations Committee will conduct online elections during the first three weeks of March of each year. Results of the election will be announced at the Annual General Meeting and at each succeeding annual meeting at which an election of directors is required.”

Motion: To ratify the election results.

Moved/Seconded/Motion Carried

b. Discussion of improving our financial health by increasing revenues and/or decreasing costs.

The last two years have seen CAPAL run a deficit because we are spending more than we bring in. The board has struggled with how to respond to this challenge without violating the core mandates of the organization and to this aim presents the following strategies on how to improve this situation with the hopes of getting the feedback of the general membership:
Introducing a tiered membership fee model, similar to many library organizations where the membership fee suggested is based on annual income of the individual. Right now membership is a flat $50 for employed librarians. We are suggesting a three tiered fee scale:
$ 45.00 for employed members with salary up to $75,000
$ 60.00 for salaries between 75,001 and 110,000
$ 75.00 for salaries over 110,000

Discussion:
- Comment on that 110,000 in second tier should be 110,001 in the next. This will be changed.
- Question about what we are over.
  - This year we are in the negative a few hundred dollars.
- Question about price of student membership
  - It will remain the same
- Question what our membership is at.
  - These numbers are in the membership report. Student committee clarified why student membership has fluctuated
- Discussion about a lot of momentum about the beginning of the association and that we aren’t maintaining that momentum. How do we engage members? Student members are hard to engage.
  - Discussion that the focus has changed but its maybe less clear than when we started. Some people may feel intimidated by CAPAL. The conference organizing committee should make sure that student representation is seen.
  - Comment that we should get information at why people aren’t members
  - Comment that college/polytechnic membership should grow and we need to provide value in some way
- Comment that we should look at the tiers next year to consider readjusting

Sponsorship. In order to take on new projects, like student bursaries to attend the conference and speakers for webinars, etc. we need more revenue. How does the membership feel about taking on private or institutional sponsorship?

Discussion:
- Diversity is planning to create this initiative
- Discussion around the displeasure with corporate sponsorships
  - it may be different if its project to project vs ongoing
• Reducing translation costs. There are a number of high ticket items that the board reviewed but the biggest expense we felt needed discussion was the translation of the entire conference program. This item feeds into our following item on increasing francophone membership. The costs of translating the entire conference program are very large and are cost prohibitive given the total budget of CAPAL. Most organizations do not translate the program in its entirety including the abstracts, but translate the front matter, but leave the presentation abstracts in the original language. Is translating the entire program useful to our French membership or is it a waste?

Discussion:
- Didn’t get many French proposals
- Congress isn’t held that much
- Comment that abstracts and big textual pieces should not be in French
- Comment that it may be the author’s responsibility to decide to send their abstract in French and English. Discussion that it shouldn’t be mandatory as it’s not pragmatic.
- Comment that abstracts should be limited to reduce translation cost.

**Action Item:** CoC refer to the next recommendation to reduce abstract length and allow longer proposals

c. Question for membership: Growing our French membership
   • Francophone membership in CAPAL remains low, are we doing enough to encourage francophone membership. Is gaining more francophone members a priority for the general membership?
   - Question about our current French membership numbers – numbers are low.

d. Statement on membership survey results

Deferred to a board meeting and email presentation due to absence of publication.

9. Reports of the standing committees. (Enclosures #8–15)
   a. Presentations, questions, and answers.
      i. Advocacy ([Enclosure #7])
      ii. Communications ([Enclosure #8])
      iii. Diversity & Equity ([Enclosure #9])
      iv. Education & Professional Development ([Enclosure #10])
      v. Membership ([Enclosure #11])
      vi. Publications ([Enclosure #12])
      vii. Research & Scholarship ([Enclosure #13])
Motion: That the reports of the standing committees be received as presented.

Moved/Seconded/Motion Carried

10. Other business.
   
a. Motion: That the census be moved to 3 years instead of every 2 years
   Moved by Eva Revitt/Seconded by Lisa Richmond

   Discussion: Census should be done every 3 years instead of every 2 years due to length and to better align with CAUT Salary survey.

   2016 census respondents, 20% responded as being from Quebec.

   CARL may be having a similar issue with getting francophone membership to respond, suggestion to talk to someone at CARL about how they are dealing.
   Question about how many people answered the census in French – Eva didn’t have the numbers off by hand but it was a small amount.

   Motion Carried.

11. Closing remarks.
